App Undo Marge Ind

Data GC

	Source System	CRN	Jenis Identitas	Npwp	Nomor Identitas	Nama Lengkap	Gelar Debitur
1	T24	40628887	KTP		3206044506740002	MUMUN	01

Data Original

	CIF	CIF Orig	Source System	CRN	Jenis Identitas	Npwp	Nomor Identitas
1	11111111		T24	40628887	KTP		3206044506740002
2	40628887		T24	40628887	KTP		3206044506740002

After approval, a success alert will appear as shown below:

192.168.77.169:8080 says
Approval Data Successfully...!

OK

And if we click on the rejected icon, an alert will appear as below:

The screenshot shows the SIMIAN MDM application interface. A modal alert box is displayed in the center, containing the text: "192.168.77.169:8080 says Rejected Data Successfully...!". The alert has a blue "OK" button. The background shows the application's main menu on the left and a data table titled "Data GC" in the center. The table has columns for Source System, CRN, Jenis Identitas, Npwp, Nomor Identitas, Nama Lengkap, and Gelar Debitur. The first row shows data for T24, 40628894, KTP, 3207064810760003, and PIAH SOPIAH. Below the table is a pagination bar showing "Page 1 of 1".

Source System	CRN	Jenis Identitas	Npwp	Nomor Identitas	Nama Lengkap	Gelar Debitur
T24	40628894	KTP		3207064810760003	PIAH SOPIAH	01
